

## Aviation Gems

Richard Simile will lead a group of 95 Mooney Pilots in a discussion of each pilots' impact statements to enhance safety. Richard is an industry leading expert in general Aviation specializing in sale and servicing Mooney aircraft. His life experiences will give valuable insight to help pilots operate and maintain their Mooney aircraft safer and more efficiently.

**Directions:** located across the street from Legacy condominiums within walking distance to Origin

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
